

Refunds/ Once a service is rendered, no refund will be issued. If a client or potential client challenges this refund through a "charge back" procedure on their credit card, or a canceled check, that client will be terminated from the programs indefinitely. If it seems warranted to issue a partial or full refund, even if service was rendered, it will be done so by the sole discretion of the staff of St. Michael's Holistic Natural Health Center.

Once a product is possessed by the client, it can not be offered to resale by another customer.
