

Insurance Coverage

Products and services offered at St. Michael's Holistic Natural Health Center(SMHNHC) are not covered by insurance programs, Medicare or Medicaid. Some programs may reimburse individuals directly if benefits are evident. However, SMHNHC does not get involved with processing such transactions. If a client requests average cost per month calculations for such reimbursements, SMHNHC will assist client at a charge for the time only for such research in order to complete necessary cost analysis.

Clients may not at any time represent SMHNHC as a medical facility where insurance coverage is accepted. Such actions may result in termination of clients program.

SMHNHC is not a medical facility, and must not be represented as such by the client. Doing so may result in termination of client's program.
